Disclosures

Information in this document regarding market or economic trends or the factors influencing historical or future performance reflects opinions as of the date of this document. These statements should not be relied upon for any other purpose. Past performance is no guarantee of future results, and there is no guarantee that the market forecasts discussed will be realized. Portfolio holdings are subject to change. References to individual companies should not be construed as recommendations to buy or sell shares in those companies. Wasatch analysts closely monitor the companies held in the portfolio. If a company's underlying fundamentals or valuation measures change, Wasatch will reevaluate its position and may sell part or all of its holdings.
